

Microsoft Wireless Notebook Laser Mouse 7000

This advanced ergonomic 2.4 GHz Wireless mouse is designed to provide a more comfortable, responsive computing experience—anywhere.

- 2.4 GHz Wireless Technology**

Confident wireless connection with up to 30-foot range, even in crowded wireless environments.

- High Definition Laser Technology**

Microsoft High Definition Laser Mouse products are more precise, more responsive, and deliver smoother tracking.

- Magnifier**

Point and click to enlarge and edit detail using the Magnifier*.

- 4-Way Scrolling**

Scroll four ways for greater efficiency and comfort with Tilt Wheel Technology.

- Flip 3D**

Easily flip through all open windows with Flip 3D.

- Battery Life Indicator**

You won't get caught with a dead battery—the Battery Status LED Indicator glows red when the battery is running low.

- Scroll Wheel**

Save time and effort with the scroll wheel—navigate documents and Web pages without using the on-screen scroll bar.

- Instant Viewer**

Too many open items on your desktop? Click the scroll wheel button to instantly display your open windows, then point and click to select.

- Snap-in Receiver**

Plug in the snap-in receiver when you're ready to work, then snap it into your mouse when you travel, preserving battery life.

- 5-Button Mouse**

Get quick access to the media, programs, and files you use most often with customizable buttons.

- On/Off Button**

Turn your 3-in-1 device off to extend battery life even longer.

- 6+ Months Battery Life**

Work with less interruption with longer battery life.

- Comfortable in Either Hand**

Use your mouse with your left or right hand—ambidextrous design makes it comfortable either way.

- Customizable Buttons**

Get quick access to the media, programs, and files you use most often with customizable buttons.

- Designed for Notebook PCs**

Compact and comfortable, our handy notebook and laptop products are designed for convenience and mobility.
