

Microsoft Wireless Optical Desktop 1000

Microsoft Wireless Optical Desktop 1000 offers a complete desktop solution — wireless keyboard, mouse, and receiver. You get the features that make life easier, like wireless freedom, precision optical performance, and one-touch Hot Keys.

Optical Technology

Navigate with better speed, accuracy and reliability—the optical sensor tracks movement on nearly any surface without the hassle of clogged mouse parts.

Media Center

With the touch of a button you can easily access your favorite music, video clips, and media programs.

Wireless Freedom

Give yourself room to move—wireless mouse and keyboard products let you work without worrying about tangled wires.

6 months battery life

Long battery life helps ensure that you aren't stuck without your important tools when you need them.

Spill-Resistant Design

Enjoy a drink while you work—this keyboard is designed to withstand an accidental spill.
