

Microsoft Wireless Mobile Memory Mouse 8000

This comfortable, ground-breaking mouse is the most advanced mobility tool available. Its transceiver is also with 1 GB Flash Memory, which frees up USB ports and lets you easily back up and transfer files. You can even continue to work while your mouse is charging.

- Transceiver with 1 GB Flash Memory**

The transceiver is also a fully functional flash drive, so you can store and transfer files and free up USB ports.

- 2.4 GHz Wireless Technology**

The 2.4 GHz wireless USB mini-transceiver connects wirelessly right out of the box with virtually no interference, and up to 30 feet of wireless range.

- USB Rechargeable with Magnetic Connectors**

Simply snap in the magnetic connectors to charge while working, using the included USB transceiver.

- High Definition Laser Technology**

Microsoft High Definition Laser Mouse products are more precise, more responsive, and deliver smoother tracking.

- Battery Life Indicator**

You won't get caught with a dead battery—the Battery Status LED Indicator glows red when the battery is running low.

- Magnifier**

Point and click to enlarge and edit detail using the Magnifier*.

- 4-Way Scrolling**

Scroll four ways for greater efficiency and comfort with Tilt Wheel Technology.

- 5-Button Mouse**

Get quick access to the media, programs, and files you use most often with customizable buttons.

- Flip 3D**

Easily flip through all open windows with Flip 3D.

- Instant Viewer**

Too many open items on your desktop? Click the scroll wheel button to instantly display your open windows, then point and click to select.

- Right Handed Design**

Mouse design is optimized for right handed users.

- Scroll Wheel**

Save time and effort with the scroll wheel—navigate documents and Web pages without using the on-screen scroll bar.

- On/Off Button**

Turn your 3-in-1 device off to extend battery life even longer.

- Bluetooth Mode Switch**

A switch on the bottom of the mouse enables Bluetooth notebook users to connect directly to their PC without using the included transceiver.

- Carrying Case**

Protect your mouse while you're on the go.

- Designed for Notebook PCs**

Compact and comfortable, our handy notebook and laptop products are designed for convenience and mobility.

- Ergonomic Design**

Point and click in comfort—ergonomic design helps you work longer without discomfort.

- Wireless Freedom**

Give yourself room to move—wireless mouse and keyboard products let you work without worrying about tangled wires.

- Rechargeable Mouse**

A battery status indicator flashes when batteries need recharging.
