

Microsoft Lifecam VX-6000 Webcam

Experience instant messaging in a whole new way—communicate with friends and family as if they were in the room with you.

- Photo Swap**

Share and swap photos in real time with your friends and family using Windows Live Messenger—right in the video call window!

- Windows Live™ Call Button**

Just press this button and select an Online Contact to start a video call.

- LifeCam Dashboard**

Add special effects and control your webcam—all from the Windows Live Messenger window.

- One-touch Blogging**

Upload your blog on Windows Live™ Spaces with any of your photos at the simple click of your mouse.

- High Definition Video and Photos**

High Definition video and photos show you in the best light.

- Wide-angle Lens**

The 71 degree wide angle lens ensures no one gets left out of the picture.

- Built-in Microphone**

The built-in microphone automatically picks up your voice with remarkable clarity.

- Optimized for Windows Live Messenger**

Seamlessly integrated with Windows Live Messenger for easy setup and use.

- Video Effects**

Discover a fun way to express yourself with these entertaining video effects built into the LifeCam dashboard.

- Universal Attachment Base**

It's a snap to attach the LifeCam to any monitor.

- 3X Digital Zoom**

The zoom delivers realistic, up-close-and-personal video, so you can see the contours of every smile.

- Pan, Tilt and Zoom**

The pan and tilt functionality make it a snap to capture the big picture, however you want to see it.

- Automatic Face-Tracking Software****

Move around without disappearing from the screen—advanced software keeps your face front and center.

- Flexible Six-Foot Cable**

The long, flexible cable gives you more room to move.

- Hi-Speed USB**

The new USB 2 enables much higher connection speeds, so you can experience life in real-time.

- Up To 30 Frames Per Second**

Capture up to 30 frames per second, which means the video images you see are smooth and seamless.

- Broad IM Compatibility**

Works with other instant messaging programs, such as Skype, Yahoo! Messenger and AOL Instant Messenger™.

For a Microsoft Windows®-based computer:

Operating System
●Windows Vista® or Windows® XP with Service Pack 2 (SP2)
Hard Drive
300-700 MB free
Connectivity
USB 2.0 port
Other
●Intel Pentium® III 700 MHz (Intel Pentium 4 2.4 GHz recommended) or higher. ●256 MB of RAM or higher. ●CD-ROM drive. ●Display adapter capable of 16-bit color depth or higher, 2 MB or higher video memory. ●Broadband Internet access required; access fees may apply. ●Audio: Windows-compatible speakers or headphones. ●Internet functions (post to Windows Live™ Spaces, send in e-mail, video calls) also require: Broadband (cable, DSL, or other), modem, Internet Explorer® 6 or later browser software (required for installation), 25 MB hard-drive space typically required (users can maintain other default Web browsers after installation), and access to the Internet through MSN® or another Internet service provider (ISP).
