

Microsoft Lifecam VX-5000 Webcam

Introducing the Microsoft LifeCam VX-5000 – Featuring Windows Live compatibility, World Class VGA Optics, superior low-light performance and a fun flexible design. Share more experiences with family and friends.

- **Photo Swap**

Share and swap photos in real time with your friends and family using Windows Live Messenger—right in the video call window!

- **Windows Live™ Call Button**

Just press this button and select an Online Contact to start a video call.

- **LifeCam Dashboard**

Add special effects and control your webcam—all from the Windows Live Messenger window.

- **One-touch Blogging**

Upload photos to your blog on Windows Live™ Spaces with any of your photos at the simple click of your mouse.

- **World Class VGA Optics**

See more clearly with 2x the light collection than regular VGA optics.

- **Superior Low-light Performance**

Auto-adjusts for low-light conditions.

- **Fun Flexible Base**

Bend, fold and shape the flexible base for the best angle on laptop screens, flat panels and traditional monitors.

- **Available in Three Fun Colors**

Color ring accent available in Fire Red, Cool Blue or Lucky Green.

- **Optimized for Windows Live**

Windows Live Messenger lets you chat online via text, voice and video. Combine the features of Windows Live with the LifeCam VX-5000 for an unforgettable experience.

- **1.3 Megapixel Sensor**

True 1.3 megapixel sensor offering crisp, clear video quality.

- **Built-in Microphone**

The built-in microphone automatically picks up your voice with remarkable clarity.

- **Video Effects**

Discover a fun way to express yourself with these entertaining video effects built into the LifeCam dashboard.

- **3 Year Warranty**
