

Microsoft Lifecam VX-7000 Webcam

Now it's fast and easy to share real-time videos and photos with friends and family. And, with a High Definition 2.0 megapixel sensor and noise-canceling microphone, you'll think you're in the same room as your friends!

- **Photo Swap**

Share and swap photos in real time with your friends and family using Windows Live Messenger—right in the video call window!

- **Windows Live™ Call Button**

Just press this button and select an Online Contact to start a video call.

- **LifeCam Dashboard**

Add special effects and control your webcam—all from the Windows Live Messenger window.

- **One-touch Blogging**

Upload your blog on Windows Live™ Spaces with any of your photos at the simple click of your mouse.

- **Optimized for Windows Live Messenger**

Seamlessly integrated with Windows Live Messenger for easy setup and use.

- **2.0 Megapixel Sensor**

True 2.0 megapixel sensor offering crisp, clear video quality.

- **Universal Attachment Base**

Fits on most monitors, including flat screens and notebooks, or sits directly on your desk.

- **Built-in Microphone**

The built-in microphone automatically picks up your voice with remarkable clarity.

- **Crystal-clear Audio**

Automatic audio control for enhanced clarity.

- **Glass Element Lens**

See your friends up close and personal with this glass element lens.

●**Auto-Adjustment for Low Light Conditions**

Get superior video quality with automatic low-light adjustments.

●**Wide-angle Lens**

The 71 degree wide angle lens ensures no one gets left out of the picture.

●**Video Effects**

Discover a fun way to express yourself with these entertaining video effects built into the LifeCam dashboard.

●**High Definition Photos**

High Definition photos* show you in the best light.

●**High Definition 8 Megapixel** Still Photos**

High Definition still photos show you in the best light.

●**Broad IM Compatibility**

Works with other instant messaging programs, such as Skype, Yahoo! Messenger and AOL Instant Messenger™.
