

Microsoft Wireless Entertainment Desktop 7000

Now you can transition between work and fun with unprecedented ease and comfort. This ultra-thin entertainment desktop set with rechargeable mouse delivers on/off desk top-notch performance with virtually no interference—from up to 30 feet away.

- **Wireless Freedom**

Give yourself room to move—wireless mouse and keyboard products let you work without worrying about tangled wires.

- **2.4 GHz Bluetooth® Technology**

Connect wirelessly right out of the box with First Connect Technology for up to 30 feet with virtually no interference.

- **Battery Status Indicator**

You'll know when power is low when the battery status indicator senses battery life is running out.

Mouse Features

- **Rechargeable Mouse**

A battery status indicator flashes when batteries need recharging.

- **4-Way Scrolling**

Scroll four ways for greater efficiency and comfort with Tilt Wheel Technology.

- **High Definition Laser Technology**

Microsoft High Definition Laser Mouse products are more precise, more responsive, and deliver smoother tracking.

- **Instant Viewer**

Too many open items on your desktop? Click the scroll wheel button to instantly display your open windows, then point and click to select.

Keyboard Features

- **Windows® Start Button**

Press to launch your Start menu and search your PC or the Web if you have Windows Vista installed.

- **Ultra-thin Comfort Curve Design**

Place your hands naturally and work comfortably using the distinctive and ergonomist-approved Comfort Curve design with quiet touch keys.

- **Navigation Pad**

Command your PC from your lap or the comfort of your sofa with the integrated cursor control.

- **Windows® Live Call Button**

Just press this button to access your Windows Live Messenger contact list; then select an Online Contact and start a video conversation.

- Media Center Start Button**

One touch access to Windows Media Center.

- Compact Industrial Design**

This sleek design reduces clutter on your desk, fits on your lap and complements your flat screen monitor.

- Gadgets Button**

One-touch access to gadgets such as weather information, news updates, traffic maps and slide shows of online photo albums.

- Media Controls**

Media Controls allow you to easily navigate to next track, previous track, play, pause and volume control.

- "My Favorites" hot keys**

Access the folders, files, and Web pages you use most with one-touch "My Favorites" Keys.

- Longer Battery Life**

Change your batteries less often! The keyboard battery has an average life of over nine months.

For a Microsoft Windows®-based computer:

Computer/Operating System

Requires a PC that meets the requirements for and has installed one of these operating systems: Windows Vista® or Windows XP (XP Professional/Home Edition/Media Center Edition/Tablet PC Edition).

IMPORTANT: For best results and Bluetooth® device compatibility, use the included Microsoft mini Bluetooth transceiver. Service Pack 2 is also required with Windows XP.
