

Microsoft Natural Ergonomic Desktop 7000

The innovative shape of the keyboard and mouse encourage a more natural hand, wrist, and forearm posture. Don't overlook the importance of using an ergonomic desktop—it is an important part of making your time on the computer more comfortable and more productive.

- 2.4 GHz Wireless Technology**

The 2.4 GHz wireless USB mini-transceiver connects wirelessly right out of the box with virtually no interference, and up to 30 feet of wireless range.

- Advanced Ergonomic Design**

Advanced design promotes a more natural hand, wrist, and forearm position for greater comfort.

Mouse Features

- Revolutionary Ergonomic Design**

Soft-touch materials and an ergonomic design fit your hand as naturally as a handshake.

- High Definition Laser Technology**

Microsoft High Definition Laser Mouse products are more precise, more responsive, and deliver smoother tracking.

- 4-Way Scrolling**

Scroll four ways for greater efficiency and comfort with Tilt Wheel Technology.

- Instant Viewer**

Too many open items on your desktop? Click the scroll wheel button to instantly display your open windows, then point and click to select.

- Magnifier**

Point and click to enlarge and edit details using the Magnifier*.

- 6 months battery life**

Long battery life helps ensure that you aren't stuck without your important tools when you need them.

- Battery Life Indicator**

You won't get caught with a dead battery—the Battery Status LED Indicator glows red when the battery is running low.

- Customizable Buttons**

Get quick access to the media, programs, and files you use most often with customizable buttons.

- Five Customizable Buttons**

This mouse has five buttons that can be programmed to do a variety of functions.

Keyboard Features

- Comfort Curve Design**

You spend a lot of time in front of your computer. In fact, the only thing you touch more often than your mouse and keyboard is your pillow. Microsoft offers some of the most comfortable hardware available.

- Zoom**

Get a closer look—zoom in quickly and accurately with the intuitive Zoom feature.

- Improved Number Pad**

Commonly used symbols such as equal sign, left and right parentheses and "Backspace" are in quick reach, just above the number pad.

- Internet Hot Keys**

With the touch of a button you can quickly access the Internet.

- E-mail and Internet Hot Keys**

Touch a button to quickly access e-mail and the Internet.

- "My Favorites" hot keys**

Access the folders, files, and Web pages you use most with one-touch "My Favorites" Keys.

- Integrated Palm Rest**

Get better support with this plush, integrated palm rest.

- Cutting-Edge Design**

Whether you're at work or play, improve your performance with cutting-edge Microsoft technology.
