EPSON STYLUS™

## C90/CX5500

# The affordable solution for everyday projects

- Economical INKdividual™ cartridges for everyday printing
- Durable prints that withstand accidental spills, smudging and fading
- Cartridge flexibility to cater for different printing requirements

## LOW-COST PRINTS EVERYDAY

### EPSON STYLUS™ C90/CX5500

The EPSON Stylus™ C90 and CX5500 offers high-speed printing and affordable DURABrite™ Ultra INKdividual inks, without any loss in quality & convenience.

#### EPSON Stylus™ C90

The EPSON Stylus™ C90 is the perfect companion for users looking to enjoy everyday affordable printing.

With a fast print speed of up to 25 pages per minute at an optimised resolution of 5760dpi, this entry level printer also features efficient printing with 4 INKdividual™ cartridges. With the ability to create quality borderless photos, the EPSON Stylus™ C90 is an amazing printer that enables you to do more with less.

#### EPSON Stylus™ CX5500

The EPSON Stylus™ CX5500 is ideal for budget savvy home users who want to enjoy high quality printing and innovative features.

Print and copy with intuitive one-touch buttons as fast as 25 pages per minute at an optimised resolution of up to 5760dpi. Scan directly to PC at resolutions of up to 600dpi allowing for easy enlargement of photos to A4 size, and effortless digitisation of your photos and documents for archiving and sharing.

Enjoy efficient printing with 4 INKdividual™ ink cartridges featuring DURABrite™ Ultra ink, resulting in sharper text, superb colour and longer lasting prints.

#### Affordable INKdividual™ Cartridges

Replace only the cartridge that runs out. With affordable INKdividual™ cartridges, Epson makes it possible to reduce ink wastage and maximise savings.

#### Cartridge Flexibility

The EPSON Stylus™ C90 and CX5500 offers cartridge flexibility with two different capacities of ink sets to choose from. Purchase your ink set based on your usage pattern, achieving greater cost savings.

#### New Improved EPSON DURABrite™ Ultra Ink

New improved EPSON DURABrite™ Ultra ink is the ideal all-purpose ink for everyday printing. With this revolutionary smudge-proof ink that is also resistant to water and fading, prints can stay vibrant for many years to come.

Competitor

EPSON

#### Amazing Print Speed

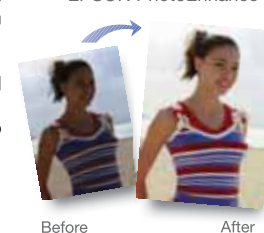

Maximise time efficiency and productivity with an excellent print speed of up to 25 pages per minute. Achieve more in less time with printouts that can be ready faster, are of fabulous quality, and are able to last for years to come.

#### EPSON PhotoEnhance

EPSON PhotoEnhance gives you the optimum output with automatic adjustments of skin tones, colour casts and exposure levels. This built-in, powerful photo printing adjustment software ensures photos with brilliant clarity and amazing true-to-life colour.

EPSON PhotoEnhance

Before

After

#### EPSON Creativity Suite

The EPSON Stylus™ C90 and CX5500 comes with easy to use photo and document management software including

##### EPSON Web-to-Page

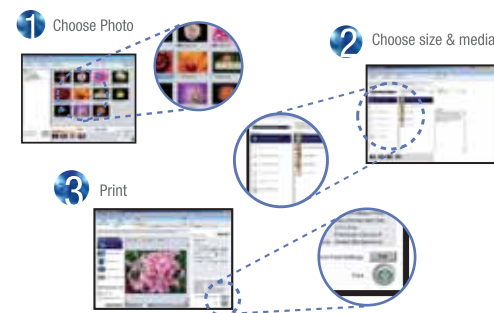

Print entire web pages without the need for manual adjustments or alignments. Say goodbye to distorted prints.

EPSON Web-to-page

##### EPSON Easy Photo Print

Achieve photo lab quality prints in just 3 steps with this easy to use software.

#### Partners in Perfection

Enjoy awesome image quality and accurate colour reproduction with Epson's full range of scanners. Simply scan to archive or to share.

Epson specialty media is developed to complement Epson genuine inks in producing exceptionally high quality prints.

Epson inks are the highest quality inks you can use with an Epson printer. Years of research and development have gone into its formulation. The results are inks designed specifically to work with your printer to deliver stable, long-lasting prints.
