Wireless Notebook Optical Mouse 3000

Features :

Snap-in receiver

A small receiver snaps into the bottom of the mouse when it is not in use.

Three times the battery life

Work longer without interruption. New optical technology helps extend battery life to as much as three times that of competing products.

Optical technology

An optical sensor tracks mouse movement, giving you greater durability, increased speed, improved accuracy, and more consistent performance.

Multiple colors available

Customize your desktop and express your personality. Choose from a spectrum of cool colors.

Comfort for either hand

The latest mouse design makes clicking and scrolling more comfortable and convenient—no matter which hand you use.
