Microsoft Mouse Habu

Microsoft Hardware has joined forces with gaming innovator Razer® to bring you the ultimate high-performance wired mouse. Combining the best of both worlds, Habu™ unites legendary Microsoft comfort with the latest in Razer Precision. PC gaming will never be the same.

Features :

- **Customizable Buttons**
  Two removable side button panels give you options for different hand sizes or preferences, and all seven buttons are programmable - store up to five profiles in mouse memory.

- **High Speed Sensitivity Switching**
  Adjust mouse sensitivity on the fly - up to 2000 DPI â€" for controlled sensitivity. The default is 800 DPI but is adjustable from 400, 800, 1600 to 2000 DPI with the toggle buttons.

- **High-speed motion detection**
  Gamers get their speed on with movements up to 45-inches per second, 20-G acceleration and more than 7080 frames per second.

- **16 bit Data Path and 1000 Hz Ultrapolling**
  Habu™ has a 16 bit data path for increased bandwidth with high-sensitivity mouse activity. Increased data path improves response time.

- **Superior Response Time**
  With an always-on laser that delivers near-zero-lag response time.

- **Mouse Glide**
  Habu™ has ultra-slick Teflon® to provide smooth and quiet gliding.

- **Ergonomic Design**

  A right handed comfort design allows slip-resistant grip with rubber-coated buttons for improved comfort for long hours of gaming.

- **Wired Mouse**

  Wired for faster performance.

For a Microsoft Windows®-based computer:

Computer/Operating System

Requires a PC that meets the requirements for and has installed one of these operating systems: Windows® and XP Pro/Pro x64 Edition/Home/Media Center Edition.
